WHAT OUR CUSTOMERS SAY...

“The service we receive is exceptional. A very prompt delivery. All personnel are friendly and helpful. The quality of the paper is first class. We would recommend Westcountry Group to anyone wishing to purchase photocopier paper.”

Mrs C Amos | Finance Officer

“We have had nothing but a positive experience with Westcountry Group; the paper is of an excellent quality, the pricing is extremely competitive and the call-off programme very much valued as storage is one of our major hurdles, and deliveries arranged to suit our specific requirements.”

Anne Levy | PA

“We have a regular monthly order and your team on the phones are always helpful and your drivers are great, always cheerful and smiling.

Thank you to you and your team for providing a great product and a great service!”

Mrs Beth Everett | Office Manager

“I just had to contact you to say how wonderful your delivery drivers are. We have just had a huge delivery of paper and although the driver was told by our site team to dump the paper in the staff room, he insisted on packing it all away neatly in the store cupboard for me.

They are always so friendly, polite and thoughtful. And we really appreciate the biscuits. Didn't get his name but the delivery driver definitely went above and beyond.”
